PLEASE DESCRIBE YOUR GOALS/AMBITIONS THAT YOU HAVE

My goals include developing myself professionally, gaining experience and growing within a company where I can contribute and learn. On a personal level, I would also like to build a family in the future, finding a healthy balance between my career and personal life.

DESCRIBE WHAT YOU WERE LIKE AS A CHILD.

As a child, I had a calm and quiet personality. I enjoyed playing with dolls and could spend hours creating little stories with them. I also loved drawing—it was one of my favorite ways to express myself and use my imagination.

DESCRIBE YOUR FAVORITE MEMORY.

One of my favorite memories is spending time at my grandparents' countryside house with my whole family. I remember running and playing with my cousins all day, and then we would all enjoy the afternoon together in the pool. It was a time full of laughter and fun.

DESCRIBE YOUR PERSONALITY AND CHARACTER

I'm a very calm and friendly person. I really enjoy socializing and connecting with others, and people often say I'm kind and approachable. Although I'm usually very patient and easygoing, I do have a strong character when I get upset—but that doesn't happen often.

WHAT ARE YOUR FAVORITE FOODS?

Some of my favorite foods are pasta, pizza, and milanesas.

WHAT DO YOU LIKE TO DO IN YOUR FREE TIME?

In my free time, I really enjoy cooking—it's something that relaxes me and lets me be creative. I also love going to the beach with my friends, riding my bike, having coffee, and reading a good book. These are the moments that help me unwind and enjoy life.

WHAT WOULD YOU CONSIDER YOUR GREATEST STRENGTHS AND WEAKNESSES?

I consider myself a disciplined, responsible, and friendly person. I enjoy being sociable and building good relationships with others. I take my responsibilities seriously and always aim to deliver high-quality work. However, I do have some weaknesses, such as being sensitive at times. I'm also a perfectionist, which can lead me to spend more time on tasks than necessary, and I tend to be a bit impatient when things don't move as quickly as I'd like.

IF YOU COULD VISIT ANYWHERE IN THE WORLD, WHERE WOULD IT BE AND WHY?

If I could visit anywhere in the world, I would choose Japan. I've always been fascinated by Asian culture, and I believe visiting Japan would be an incredible learning experience. The traditions, history, and way of life there would offer me valuable insights and perspectives.

DESCRIBE A TYPICAL DAY IN YOUR LIFE.

A typical day in my life starts with waking up and making myself breakfast. After that, I head to the gym for a workout. Once I'm back, I shower and prepare my meals for the day to take to work. I then go to work and spend my day there. When I return home, I make a nice dinner, and I always try to read a few pages of a book before going to bed.

WHY HAVE YOU DECIDED TO BECOME AN EGG DONOR?

I have decided to become an egg donor because I deeply believe in helping others who are struggling to build their families. I understand how challenging infertility can be, and I want to offer the opportunity for someone to experience the joy of parenthood. After learning about egg donation through friends who have already gone through the process, I was inspired to apply myself.

WHAT WERE/ARE YOUR FAVORITE CLASSES IN SCHOOL?

My favorite classes in school were drawing and biology
