EGG DONOR INFORMATION

DONOR ID #4386

SHORT BIOGRAPHY:

She loves traveling and discovering new places and cultures. She studied Nutrition and has always been passionate about health and well-being. Originally from Joinville, Santa Catarina, she has one older brother. She enjoys working out and maintaining a balanced, healthy lifestyle, both physically and mentally. She's curious, open-minded, and values meaningful experiences.

DONOR PERSONAL INFORMATION

Location: Brazil

Height: 5' 6"

Year of Birth: 1996

Weight: 116.845

Ethnicity: Latina or Hispanic

Eye Color: Blue

Maternal Heritage: Brazilian

Natural Hair Color: Brown

Parental Heritage: German

PERSONAL INFORMATION

WHAT IS THE HIGHEST EDUCATION LEVEL YOU HAVE ATTAINED?

High school graduate

DO YOU HAVE A MENSTRUAL CYCLE EVERY MONTH?

Yes

PLEASE INDICATE WHAT TYPE OF BIRTH CONTROL YOU ARE CURRENTLY USING:

Condom

PLEASE DESCRIBE YOUR GOALS/AMBITIONS THAT YOU HAVE

I want to live a fulfilling and meaningful life. My goals include growing in my career, traveling to new places, and learning about different cultures. I care a lot about my physical and emotional well-being, and I strive to maintain a healthy lifestyle. In the future, I also hope to build a family and make a positive difference in the lives of others.

DESCRIBE WHAT YOU WERE LIKE AS A CHILD.

I was a calm and affectionate child, very attached to my parents. I loved playing with my cousins and was always friendly and easy to make friends. I've always had a caring nature and enjoyed being around people.

DESCRIBE YOUR FAVORITE MEMORY.

One of my favorite memories is a trip to the French Alps. I remember being surrounded by stunning snowy landscapes, breathing in the crisp mountain air, and feeling completely at peace. It was a moment of pure beauty and connection with nature. I felt free, inspired, and truly present.

DESCRIBE YOUR PERSONALITY AND CHARACTER

I'm a warm, friendly, and empathetic person. I'm easy to talk to and enjoy making people feel comfortable and supported. I'm also independent, curious, and open-minded. I like to live with purpose, take care of myself and others, and always try to learn and grow from life's experiences.

WHAT ARE YOUR FAVORITE FOODS?

My favorite foods are Japanese and Italian cuisine. I also love homemade meals, nothing beats the comfort of my mom's cooking.

WHAT DO YOU LIKE TO DO IN YOUR FREE TIME?

In my free time, I enjoy traveling, discovering new places, trying different restaurants, and spending time in nature

WHAT WOULD YOU CONSIDER YOUR GREATEST STRENGTHS AND WEAKNESSES?

One of my greatest strengths is my emotional intelligence. I'm very empathetic and know how to listen and support others. I'm also resilient and adaptable, especially in challenging situations.

As for weaknesses, I can be a bit of a perfectionist at times, which sometimes makes me overthink things or take longer to make decisions. But I'm always working on finding balance.

IF YOU COULD VISIT ANYWHERE IN THE WORLD, WHERE WOULD IT BE AND WHY?

If I could visit anywhere in the world, I'd love to spend a summer in Italy and a winter in New York. Italy for the food, culture, and beautiful coastlines, there's something magical about the Italian summer. And New York in the winter has always fascinated me with its lights, energy, and cozy atmosphere. Both places inspire me in different ways.

DESCRIBE A TYPICAL DAY IN YOUR LIFE.

A typical day in my life usually starts with some movement: either a workout or a walk to get my energy flowing. I like to have a healthy breakfast and take time to plan my day. Depending on the day, I might be working, studying, or dedicating time to personal projects. I also make space for moments of self-care, like listening to music, journaling, or spending time in nature. In the evening, I like to wind down with a good meal and relax before going to bed.

WHY HAVE YOU DECIDED TO BECOME AN EGG DONOR?

I've decided to become an egg donor because I know how meaningful it can be for someone who dreams of starting a family. Being part of something that can truly change a life feels powerful and special. Of course, the financial compensation is also helpful in supporting some of my personal goals, but the main motivation is the idea of helping others in such a deep and human way.

WHAT WERE/ARE YOUR FAVORITE CLASSES IN SCHOOL?

My favorite classes in school were chemistry, biology, and science in general. I've always been fascinated by how the human body works and how nature is connected to our health. These subjects inspired me to study Nutrition later on.

PLEASE LEAVE A MESSAGE TO THE INTENDED PARENTS.

With all my heart, I hope this small part of me can help bring something truly beautiful into your life. The path to building a family isn't always easy, but it is filled with courage, love and hope, and that makes it incredibly powerful. I'm honored to support your journey in this way and I'm sending you all the strength, light and love for what's to come.

ARE YOU COMMITTED TO BEING A DONOR?

Yes, I am. Being a donor is something I take very seriously. I understand the emotional and ethical responsibility involved, and I'm fully committed to going through this journey with care, respect, and intention.

DO YOU SMOKE CIGARETTES?

No
