PLEASE DESCRIBE YOUR GOALS/AMBITIONS THAT YOU HAVE

To work hard in order to provide a better life for my family.

DESCRIBE WHAT YOU WERE LIKE AS A CHILD.

A smart, creative, and active child.

DESCRIBE YOUR FAVORITE MEMORY.

A trip with my parents — a special opportunity to spend quality time together, explore new places, and create unforgettable family memories.

DESCRIBE YOUR PERSONALITY AND CHARACTER

I am genuine and honest, always striving to help others in any way I can. I believe that kindness and sincerity make a difference, and I try to bring those values into everything I do, whether in my personal life or in the way I treat people around me.

WHAT ARE YOUR FAVORITE FOODS?

Brazilian food

WHAT DO YOU LIKE TO DO IN YOUR FREE TIME?

I am constantly taking courses to improve my knowledge and grow both personally and professionally. Traveling is also one of my greatest passions — discovering new cultures, places, and experiences inspires me deeply. In addition, I love cooking; it's one of the ways I relax and express creativity, especially when preparing meals for the people I care about.

WHAT WOULD YOU CONSIDER YOUR GREATEST STRENGTHS AND WEAKNESSES?

Honesty and loyalty are my greatest strengths. I value being truthful and dependable in everything I do, and I always stand by the people I care about. However, my biggest weakness is that I tend to believe in people too easily — sometimes giving my trust and faith before truly knowing their intentions. Still, I prefer to see the good in others and believe that kindness and sincerity are always worth it.

IF YOU COULD VISIT ANYWHERE IN THE WORLD, WHERE WOULD IT BE AND WHY?

At the moment, I would love to visit Italy to experience its rich culture and, most importantly, its incredible cuisine. I'm truly passionate about food, and Italy has always fascinated me for being the birthplace of so many iconic dishes and culinary traditions. Exploring Italian flavors, visiting local markets, and tasting authentic recipes straight from their origin would be an absolute dream for me.

DESCRIBE A TYPICAL DAY IN YOUR LIFE.

In my daily routine, I usually start the day by waking up early and going to the gym — it helps me feel energized and focused. In the afternoon, I dedicate my time to work, staying organized and productive throughout the day. By night, I like to wind down and relax, usually going to bed around 11:00 p.m. to make sure I rest well and wake up ready for a new day.

WHY HAVE YOU DECIDED TO BECOME AN EGG DONOR?

I want to be able to help make a family's dream of having children come true. Bringing hope and happiness to

people who long to become parents is something that deeply moves me. Knowing that I can play a part in such a meaningful journey — helping create life and love — would be one of the most rewarding experiences of my life.

WHAT WERE/ARE YOUR FAVORITE CLASSES IN SCHOOL?

Portuguese, history, and biology — these are subjects I've always enjoyed and connected with. Portuguese allows me to express myself better and appreciate the beauty of language; history fascinates me because it helps me understand how the world and societies have evolved; and biology captures my curiosity about life, nature, and how the human body works. Each of these subjects has contributed to shaping my interests and the way I see the world.

PLEASE LEAVE A MESSAGE TO THE INTENDED PARENTS.

I wish you all the happiness in the world and hope you can fulfill your beautiful dream of becoming parents. May this journey be filled with love, hope, and joy, and may your hearts overflow with the happiness that comes from welcoming a child into your lives.
